The team you'll be part of

Our Business Group is a leader in wireless mobile networks and associated services. With more than 3.500 patent families essential for 5G we have a strong 5G portfolio and are a front runner in open and virtualized radio access networks (O-RAN and vRAN).

The Mobile Networks Customer Documentation team creates hardware and software descriptions and instructions for the use of the mobile operator personnel. Our goal is to bring end-user documentation into the visual online world.

We work with:

Corel Designer, Catia, Creo, Photoshop, After Effect, Blender

HTML5 animations (Adobe Edge Animate)

Interactive presentations

Are these new to you? Don't worry, with us you will explore those and many more!
