

**UNIVERSITY OF ECOLOGY AND MANAGEMENT  
(UEM)  
FACULTY OF ARCHITECTURE**

We are pleased to inform that  
International Artistic-Scientific Conference

**KRAJart 2023**

on

**SPECIAL ELEMENT IN ITS SURROUNDINGS – INTERACTIONS**

will be held on 20 - 23 September 2023  
in Zakopane

The subject area of the Conference is focused on mutual interactions between environment, its selected elements and a human being, as well as the effects of its activity in artistic, social and technical spheres. The phenomena could be looked at both retrospectively and in short or long-term perspective.

A relevant research should concern selected issues from a list given below.

- Shaping of the architectural forms (architectural objects, small architectural forms, interiors, design) with respect for the rules of sustainable development
- Destruction of the cultural landscape of the selected regions in Poland and the world
- A human being versus space
- Designing a healthy space of living, rest and work
- Influence of environment on human behaviours, learning processes and wellbeing
- Valorization of place and object, and role of aesthetic shaping of surroundings
- Shaping of living organic matter
- Creating of art works and their exposition
- Shaping of the surroundings of art works
- Exposition of special elements in the landscape

We would like to invite to attend the conference both Polish and foreign people of science and art, who educate future designers, and active architects and urban planners, landscape architects, interior designers, graphic designers and other artists in the visual arts. The conference will have the form of forum for the exchange of ideas and opinions on the basis of presented papers.

During the conference an **artistic open-air session** will take place.

Conference participation cards and abstracts of papers including name and surname of authors, place of their employment, title of paper and content, not exceeding A4 page should be sent till **30/04/2023** to the e-mail address: [kraj-art@wseiz.pl](mailto:kraj-art@wseiz.pl).

Full texts will be published in the conference materials (in an electronic version).

After the conference papers selected by Scientific Committee that fulfill scientific criteria will be published in reviewed and scored journals like Builder, Mazovia Regional Studies, etc.

**Full text of papers should be sent till 15/06/2023 by e-mail to the e-mail address: [kraj-art@wseiz.pl](mailto:kraj-art@wseiz.pl)**

Requirements as regards formal characteristics of paper are available on the website of UEM [www.wseiz.pl](http://www.wseiz.pl) in the bookmark University/scientific activity/Conferences /Uczelnia/dzialalnosc naukowa/konferencje/

The total cost (gross) of participation in conference with accommodation in a double room is 1200 PLN and 1500 PLN in a single room. Participants should transfer conference fee till 3/09/2023 to the following bank account of conference center

**REWITA WDW Zakopane-Kościelisko  
ul. Nędzy-Kubińca 101,34-511 Kościelisko  
bank account no: 38 1240 6292 1111 0010 3709 0741**

**with a note "KRAJart 2023", and with indication of personal data of participant (name and surname), and data necessary for issuing VAT invoice (name and address of the organization, taxpayer identification number).**

Fee paid for participation in the conference "KRAJart" entitles to active participation in parallel conference "ARCHBUD" on "Problems in Contemporary Architecture and Construction" and "EKOMILITARIS" on "Safety engineering – protection against extraordinary threats".
